The Vint Hill Family Fun Day, sponsored by the Department of Parks and Recreation, attracted thousands of people from the surrounding area. Pictured above is Environmental Services employee Matt Brinkley, assisting local children with a recycling free throw activity.

## CURRENT VACANCIES

Administrative Associate

Waste & Recyclable Material Collector

Apply online at [www.fauquiercounty.gov](http://www.fauquiercounty.gov)

## DATES TO REMEMBER

**10/6** - Household Hazardous Waste Collection

**10/8** - Columbus Day Holiday (Office CLOSED)

**10/20** - Household Hazardous Waste Collection

## Annual Department Rodeo

Environmental Services held the annual department employee rodeo on Wednesday, September 19<sup>th</sup>. Every year, staff compete in a timed driving course and an equipment operating skill contest. Pictured above are staff walking the Bobcat skill course.

### Rinsing Recyclables

Rinsing recyclables is an important step in recycling properly. Unrinsed recyclables not only create an odor problem, but attract rodents and stinging insects as well. Especially as fall comes, bees, wasps and yellowjackets become a problem as they may sting workers and the public as they drop off materials. In order to increase safety for everyone, please rinse and dry all bottles, cans and jars before recycling.

### Remote Sites Time Change

As of Monday, November 5th, all remote sites will change to the winter schedule. The remote sites will open Monday and Thursday from 9am to 5pm, except for the Remington recycling site, which will open Monday from noon to 5pm, remaining closed on Thursday. This follows the fall Daylight Saving Time change on Sunday, November 4th, so don't forget to adjust your clocks back one hour on Sunday.

### Half Price Tire Event

Thursday, November 1st begins 2018's second semi-annual half price tire event. For the entire month of November, all passenger tires will be charged at \$1.50 per tire, rather than the usual \$3.00 per tire rate. This price reduction is only available to Fauquier County residents. As always, tires may be brought to the Corral Farm site only, Monday through Saturday.

### Call2Recycle Program

Call2Recycle is a national non-profit organization that helps businesses and individuals manage used battery recycling. They have partnered with Home Depot, Staples and Lowes to offer convenient local drop-off locations for rechargeable batteries and cell phones. This important service helps keep rechargeable batteries out of trash and general recycling, preventing fires and protecting the environment. To find a drop-off location near you, visit <https://www.call2recycle.org/locator/>.
